

REMARKS

Upon entry of the present amendment, claims 5-11 will have been canceled, without prejudice or disclaimer of the subject matter, while claims 12-14 will have been submitted to afford the Applicant the scope of coverage to which he is entitled.

Any amendments to the claims which have been made in this amendment, and which have not been specifically noted to overcome a rejection based upon the prior art, should be considered to have been made for a purpose unrelated to patentability, and no estoppel should be deemed to attach thereto.

Should the Examiner have any questions or comments regarding this Response, or the present application, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
